

Plant-based Bathroom Cleaner

CLEANS AND SHINES! This effective streak-free formula, with plant-derived detergents, contains no ammonia or phosphates and is biodegradable. Cuts through soapy film and lime buildup. Leaves no oily residue and is non-abrasive. Works on toilets, faucets, shower walls, bathroom tiles, and more. Lightly scented and infused with natural fragrance oils. Safe for use around family and pets.

DIRECTIONS

Test in an inconspicuous area before use. Spray 6–8 inches from surface. Spray surface, simply wipe, and watch how easy grease and grime are removed! Do not mix with bleach. Note: Not recommended for use on wood or other varnished surfaces. Not for use on cultured marble.

NATURAL PLANT-BASED CLEANING SYSTEM

Nuvera’s cleaner/surfactant is derived from corn, fatty alcohols from coconut and palm kernel oils, and is made from regrowable, raw materials.

- All ingredients are biodegradable
- Environmental Working Group-Score of 1 (low-hazard rating)
