

ECO-FRIENDLY

Plant-based Window Cleaner

A STREAK-FREE SHINE! This effective formula, with plant-derived detergents, contains no ammonia or other harsh chemicals and is biodegradable. Cuts through grease and dirt. Leaves no oily residue. Works on mirrors, windows, appliances, countertops, fixtures, and more. Lightly scented and infused with natural fragrance oils. Safe for use around family and pets.

DIRECTIONS

Test in an inconspicuous area before use. Spray 6–8 inches from surface. Spray surface, simply wipe, and watch how easy grease and grime are removed! Note: Not recommended for use on wood or other varnished surfaces.

NATURAL PLANT-BASED CLEANING SYSTEM

Nuvera’s cleaner/surfactant is derived from corn, fatty alcohols from coconut and palm kernel oils, and is made from regrowable, raw materials.

- All ingredients are biodegradable
- Environmental Working Group–Score of 1 (low-hazard rating)
- Meets VOC limits established by CARB and federal government.
- No ingredients are on the Prop 65 list in California
- No dyes or colorants
- No harsh preservatives
- No ammonia, bleach, or phosphates
- No sulfates (SLS, SLES, ALS)
- No animal testing or byproducts
