Our parish has begun a journey of spiritual renewal developed by RENEW International called ***Longing for the Holy: Spirituality for Everyday Life***. All parishioners are welcome to participate in this process.

What is *Longing for the Holy*?

- ***Longing for the Holy: Spirituality for Everyday Life*** is a twelve session process of spiritual and pastoral renewal.
- ***Longing for the Holy: Spirituality for Everyday Life*** is a faith sharing companion to Fr. Ronald Rolheiser's classic ***The Holy Longing***.

How will *Longing for the Holy: Spirituality for Everyday Life* help our parishioners?

Longing for the Holy enables people to:

- deepen their faith
- develop a closer relationship with Christ
- grow in community
- name the essentials of our spirituality and integrate them more into our lives
