

Because partying should be made simple!

Dubla Party Tray combines a plate and a glass holder in a balanced way that leaves one hand free to greet friends, exchange business cards or take unforgettable party pictures.

The tray for people with only 2 hands

BALANCED - By resting the tray on your palm, the weight of drink and food is distributed more evenly.

DURABLE - The tray is made from safe and strong melamine which allows the tray to be light and robust at the same time.

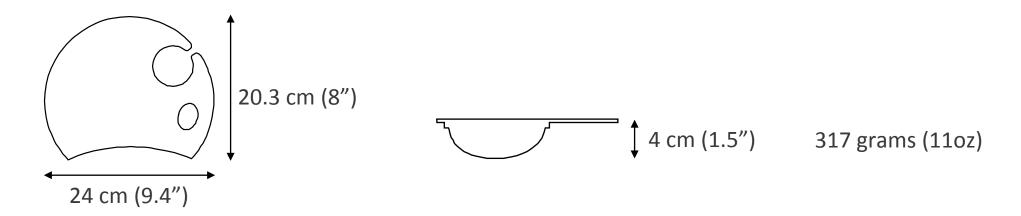

VERSATILE - The tray can be used with wine glasses as well as tumblers, plastic cup and even many bowls.

We wanted a product that is not only beautiful but also pleasant to use

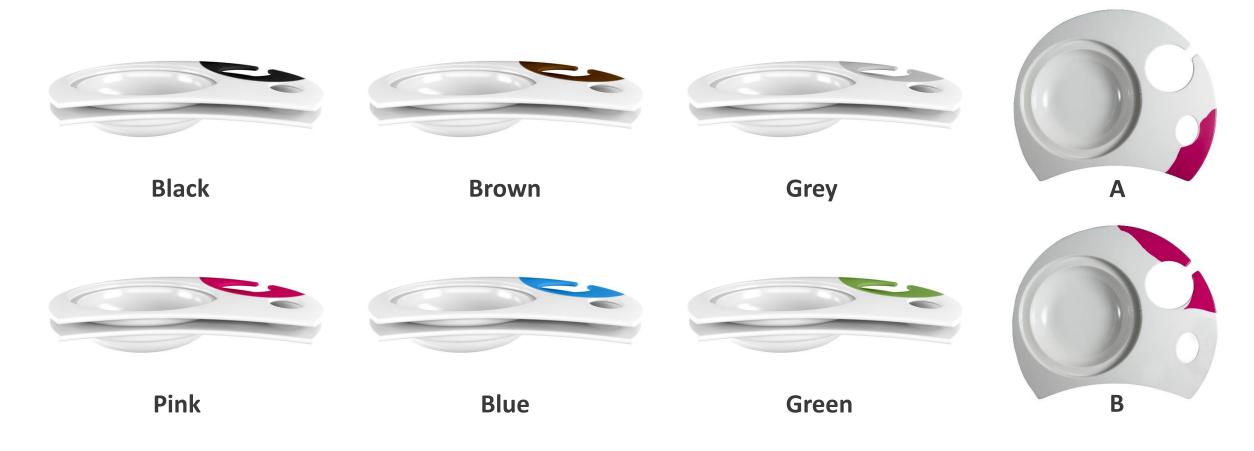

Dubla Party Tray is made of high-grade melamine which is an organic chemical, used for several products, mostly for dinnerware.

food safe - strong shock resistance - waste reduced - light indoor/outdoor - handy - easy to clean dishwasher safe tasteless/odourless no microwave - robust - stackable

6 colors

Inspired by painters' work, each tray has a splash of colour in two different positions and in one of the following shades:

It's party time!

Not only a product, but a new concept. Dubla Party Tray is a new buffet concept set. It is a cool yet functional tray with accessories. Dubla Party Box contains a complete set:

2 melamine trays made in Thailand

2 glass tumblers made in Spain

2 steel sporks made in Thailand

2 100% cotton napkins

It's party time!

Dubla Party Box is an ethical choice. It is made by recycled brown paper and it can be re-used in many ways. A graphic band shows details of the product.
