

TROUBLE SHOOTER™

Your Short Cue Solution

Why let a little post get in the way of owning the pool table that you've always wanted?!

With regular short cues, a shot like this can be quite the challenge.

Trouble Shooter™ cues allow you to play a great, comfortable game of pool without the inconvenience of room size restrictions or obstacles.

With Trouble Shooter™, even the tightest shot can be possible.

Play with ease and precision, even with as little as 24" inch clearance.

Trouble Shooter™ is a balanced, weighted, short cue with the unique feature of it's weight being positioned forward.

The Trouble Shooter™ cues have even weight distribution. Weight : from 15 oz. to 19 oz. depending on the cue size.

Regular short cues have no additional weight. Weight : Average 10 oz. to 16oz.

SIZES and WEIGHTS

52" = 19 oz.

48" = 19 oz.

42" = 18 oz.

36" = 17 oz.

30" = 17 oz.

24" = 15 oz.

Finally! A superior quality short cue with a better feel and balance, featuring a pro taper and 13mm tip.

Now you can place a pool table in a smaller sized room.

Trouble Shooter™ cues can be used on their own or with the 24" bridge stick.

YES, THERE'S EVEN A BRIDGE STICK

This quality crafted 24" bridge stick is a handy, lightweight option that can easily be used in conjunction with your Trouble Shooter™ short cues or regular sized cues.

This practical combination gives you better and more accurate aim control and stability at the most awkward and complicated angles.

Specifically designed to compliment the Trouble Shooter™ line of short cues, this bridge stick carries the same look, finish, characteristic curves and lines as it's counterparts.

It will surely prove to be, not only a unique looking bridge stick, but also a practical tool in your everyday game.
