

KASTELLA

Shift Collection

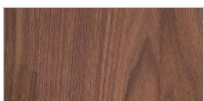

The Shift collection represents the company's transition from a predominantly geometric aesthetic to the use of softer, rounded lines. The collection takes its cues from American mid century furniture as well as the simplicity and functionality of Scandinavian design. Through the rounded legs and soft edges, the pieces were designed to bring an effortless feel and a sense of lightness to the wood.

B107T | Bed

The B107T is a clean simple understated design. Our goal was to craft a solid wood bed that was both durable in construction and light & effortless in appearance. In this version the upholstered, plush cushion sits against a solid wood frame, providing you with extra comfort and support.
