

KASTELLA

Shift Collection

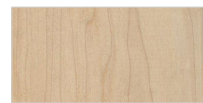

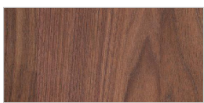

The Shift collection represents the company's transition from a predominantly geometric aesthetic to the use of softer, rounded lines. The collection takes its cues from American mid century furniture as well as the simplicity and functionality of Scandinavian design. Through the rounded legs and soft edges, the pieces were designed to bring an effortless feel and a sense of lightness to the wood.

C110 | Bench

The C110, with its soft round edges and curved legs, was originally designed to accompany the T107 dining table. We think you'll find that it looks equally good in an entranceway or at the foot of the bed.
