

KASTELLA

Cove Collection

Cove, our newest collection, originally inspired by a simple curved form became our most technically challenging. The junction of the flared apron and the rounded legs pushed our woodworking team to maintain the original design direction while ensuring the integrity of the structure.

C112 | Bench

The C112, has a solid wood top, an inset apron and the same trademark cove detail as the other pieces in the collection. This elegant bench can be integrated into a number of settings.
