## Shift Collection

The Shift collection represents the company's transition from a predominantly geometric aesthetic to the use of softer, rounded lines. The collection takes its cues from American mid century furniture as well as the simplicity and functionality of Scandinavian design. Through the rounded legs and soft edges, the pieces were designed to bring an effortless feel and a sense of lightness to the wood.

## S108 | Dresser

The S108 is a solid wood dresser with 4 deep drawers. The piece features custom pulls; dovetail drawers and an elegant base available in solid wood or brass. The S108 is a highly customizable dresser that can look quite different depending on the wood species and base combination.
