

KASTELLA

Bremen Collection

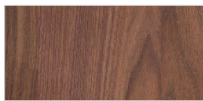

The Bremen Collection pays tribute to the founder Jason Burhop's family roots and the rigour and precision of German manufacturing. The collection is aesthetically geometric; functional, minimal designs that allow the natural characteristics of the wood to shine.

S304 | Bookshelf

The S304 is a practical, open shelving solution. The structured wood frame and solid shelves are combined with lacquered white metal dividers, which provide balance and refinement. The storage solution is so versatile - it can be used as a display unit, bookshelf or for storing dishes in the kitchen. Available in 3 standard sizes as well as custom options.
