

KASTELLA

Shift Collection

The Shift collection represents the company's transition from a predominantly geometric aesthetic to the use of softer, rounded lines. The collection takes its cues from American mid century furniture as well as the simplicity and functionality of Scandinavian design. Through the rounded legs and soft edges, the pieces were designed to bring an effortless feel and a sense of lightness to the wood.

S404 | Buffet

The S404 is a solid wood buffet that takes its cues from mid century design. The 4 doors with custom pulls open to reveal two interior drawers and shelving. A highly customizable buffet that can easily adapt to different environments depending on the wood species and base combination.
