

KASTELLA

Shift Collection

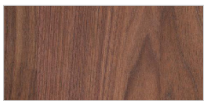

The Shift collection represents the company's transition from a predominantly geometric aesthetic to the use of softer, rounded lines. The collection takes its cues from American mid century furniture as well as the simplicity and functionality of Scandinavian design. Through the rounded legs and soft edges, the pieces were designed to bring an effortless feel and a sense of lightness to the wood.

T107 | Dining Table

The T107 was designed with versatility in mind. Elegant enough for your dining room and durable enough for daily life in the kitchen. A solid wood table, with soft round edges, curved legs and a beautiful beveled top.
