

# KASTELLA

## Shift Collection

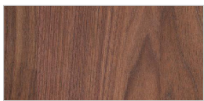

The Shift collection represents the company's transition from a predominantly geometric aesthetic to the use of softer, rounded lines. The collection takes its cues from American mid century furniture as well as the simplicity and functionality of Scandinavian design. Through the rounded legs and soft edges, the pieces were designed to bring an effortless feel and a sense of lightness to the wood.

### T108 | Dining Table

Certain spaces are made for round tables. The compact design of the T108 has a solid wood top and angled legs that comfortably seats 4 to 6 people depending on the size you select. Larger, custom sizes are also available.
