## Shift Collection

The Shift collection represents the company's transition from a predominantly geometric aesthetic to the use of softer, rounded lines. The collection takes its cues from American mid century furniture as well as the simplicity and functionality of Scandinavian design. Through the rounded legs and soft edges, the pieces were designed to bring an effortless feel and a sense of lightness to the wood.

## T313T | Side table

The T313T is a practical side table available with a deep drawer for lots of storage. The table was originally designed to sit along side our B107 bed, however it's versatile enough for any bedroom décor and equally at home as a living room side table.
