

KASTELLA

Filé Doux Collection

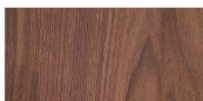

Filé doux, meaning without resistance, is a design collaboration between Jason Burhop and Etienne Dugal. The principle design feature of this collection is the seamless flow of vertical components to horizontal surfaces. Designed in 2016, the C401 stool, winner of the 9th edition of the Grand Prix du Design for the residential furniture category, is the cornerstone of the collection.

T406 | Desk

A wall mounted desk featuring turned legs, a sculpted top and an integrated brass cylinder that allows you to hide those pesky wires. The T406 is easily assembled and available in two sizes.
