A LIGHTER, MORE DURABLE HARDSIDE

Crew™ 11 Hardsides are built to go the distance. Lighter and more durable than ever, this premium collection of Spinner and Rollaboard® luggage is packed with innovations — MagnaTrac™ self-aligning wheels, patented PowerScope Extension Handle, patented Contour Grip and built-in TSA lock. An integrated USB Port on Carry-on models helps you power up phones or tablets on the move. This quality collection is designed for today's frequent travelers, who value durability and design excellence. Crew 11 is backed by a Limited Lifetime Warranty from Travelpro®, the inventor of The Original Rollaboard®.

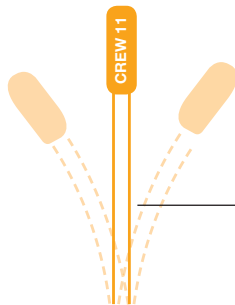

Patented

MAGNATRAC™

SELF-ALIGNING SPINNER WHEELS

— Most Spinner luggage drifts or pulls to one side or the other, putting strain on shoulder, arm, wrist and hand.

— When Crew11 is pushed, magnets instantly align the wheels to track effortlessly wherever you want to go.

360-degree dual Spinner wheels featuring MagnaTrac™

Patented MagnaTrac is a revolution in Spinner technology. Self-aligning magnetic wheels roll straight in any direction you want to move, making it easier than ever to maneuver through ticket lines and crowded airports.

Integrated USB Port

Power up on the move. External USB Port allows you to connect any USB device to a Power Bank (battery) stored in a separate pocket. *Carry-on models only.*

Integrated Cup Holder

Built-in rear cup holder provides convenient beverage storage, allowing for hands-free travel. *Carry-on models only.*

Handy Power Bank pocket

Dedicated, interior zippered pocket holds a Power Bank that connects to external USB Port. Power Bank not included. *Carry-on models only.*

Patented Contour Grip

Next-generation Contour Grip, with cushioned touch points, fits perfectly in your hand to offer even more comfort and greater control of Spinner luggage.

Patented PowerScope Extension Handle

Exceptionally strong PowerScope handle minimizes wobble. Stops at 38", 40" and extra-tall 42.5" ensure a comfortable roll for users of different heights. Made of airline-grade aluminum tubes, it's strong and stable enough to support a tote or case.

Integrated TSA lock

Built-in lock allows TSA authorities to lock and unlock safely and securely. Fastens using SUPRA™ Zipper Heads which are engineered to resist damage from daily use and abuse.

**Lightweight, durable hard shell
for maximized packing flexibility**

Lightweight design allows you to pack more contents before reaching possible weight restrictions.

Rich leather handles

Low profile top and side handles along with bottom handle cup provide comfortable and convenient handholds.

**100% Polycarbonate
Material**

Ultra-strong hard shell with stylish brushed finish that helps reduce the visibility of scratching.

**High performance
sealed ball-bearing wheels**

Durable ball-bearing inline wheels built for high-mileage travel are tested to ensure the smoothest of rolls.

Durable crash protection
Crash-guard wheel housings, side feet and molded corner guards provide protection over the long haul.

Built-in zippered wet-pocket

Perfect for storing toiletries or wet clothing.

Dedicated Power Bank Pocket

Connects to external USB Port.

Multiple accessory pockets

Handy storage for cables, socks, belts and more.

Interior divider panels

Provides packing options for organizing, separating and securing contents.

LIMITED LIFETIME WARRANTY

Congratulations! You have purchased the finest luggage available. This Travelpro® Luggage Collection gives you total confidence and is supported by a **comprehensive warranty against defects in materials and workmanship.**

In the unlikely event that a problem occurs with your luggage as a result of a defect in materials or workmanship, we will repair your bag (or replace it, if repair is not possible) at our expense. Simply contact Customer Service at 1-800-741-7471 to locate the nearest repair facility. **Then send your luggage, freight prepaid, to the repair facility along with a copy of your proof of purchase.**

The Travelpro warranty covers defects in materials and workmanship but does not cover wear or damage caused by abuse, mishandling, accidental damage, inappropriate selection, or carelessness caused by an airline or other common carrier.

In the course of normal handling, your luggage may suffer abrasions, minor cuts, scratches, dents or soil. Certain component parts such as wheels, bumper feet, leather, etc., will show wear. This wear is not covered under the warranty. Travelpro will provide prompt refurbishment services at a nominal cost. This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state.

Note: Please examine your luggage carefully for damage before leaving the airport and immediately report any damage to the baggage service center of the airline on which you traveled.

DAMAGE CAUSED BY THE AIRLINE IS THE AIRLINE'S RESPONSIBILITY. COMPENSATION MUST BE CLAIMED FROM THE AIRLINE AT THE TIME DAMAGE OCCURS.

By not following this procedure, you risk that the damage will not be covered under airline policy or Travelpro's warranty. If you are dissatisfied after making your baggage claim to the airline, please contact: Aviation Consumer Protection Division, US Department of Transportation C-75, 400 7th Street, SW, Room 4107, Washington, DC 20590

Should you have questions about your luggage, or need repair service, call Customer Service at 1-800-741-7471. For more details on our warranty, see warranty registration inside your luggage or visit travelpro.com.

Note: For professional flight crews, duration of limited warranty is 3 years.

CALIFORNIA PROPOSITION 65 WARNING. This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Lightweight design allows you to pack more contents before reaching possible weight restrictions.

External USB Port connects any USB device to a Power Bank (battery) stored in a separate pocket.

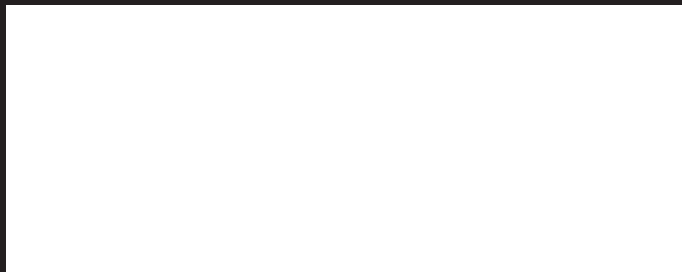

Patented MagnaTrac™ self-aligning wheels roll effortlessly in a straight line.

Patented PowerScope Extension Handle minimizes wobble and is strong enough to support a tote or case.

Patented Contour Grip fits perfectly in your hand to offer greater comfort and control of Spinner luggage.
