

Care and storage of your Vetcorder™ Pro

As with all equipment, proper care, and maintenance with the Vetcorder™ Pro will prolong the life of the unit. In this segment, we will share a few tips on care and storage.

CLEANING YOUR PRO

DO

- ✓ Wipe the device with a clean dry cloth
- ✓ Use a dab of alcohol on a soft cloth
- ✓ Gently remove ECG clips for cleaning
- ✓ Clean ECG buttons with a cotton swab.

DON'T

- Submerge your Vetcorder Pro in liquid
- Spray ANYTHING on your device
- Remove the case often
- Drop or throw the Vetcorder

STORING YOUR PRO

DO

- ✓ Remove cables by base of connectors
- ✓ Remove clips from patients by pinching the clips to open and remove
- ✓ Store cords LOSELY in a bag or on a tray

DON'T

- **☒** Wiggle or twist cords
- Pull by wires to remove from patients
- Wrap cords for storage
- Hang cords on hooks for storage
