

Smarter Pest Control®

DISPOSABLE YELLOWJACKET TRAP

DIRECTIONS FOR USE:

- 1.** Cut plastic on top cap at dotted line.
- 2.** Pull open and attach string or wire
- 3.** Add water to fill line on bag.
- 4.** Attractant pouch inside will dissolve and activate within 2-5 hours.
- 5.** Hang trap outdoors away from human activity, and at least 20 feet from a known yellowjacket nest.
- 6.** Replace trap when full, when contents dry out, or after 30 days - whichever comes first.

CAUTION:

Due to the extreme effectiveness of the attractant, use caution when hanging traps. Place traps in late evening or early morning when yellowjackets are less active. People allergic to yellowjacket stings should allow others to hang traps. Yellowjacket stings can be fatal.

STORAGE: Store in a cool, dry, well-ventilated location out of reach of children and pets.

DISPOSAL: Close trap and deposit in trash for collection. Wash hands with soap and water.
