When it comes to keeping turf looking beautiful, you can count on Specticle® FLO. It's been proven to provide superior preemergence control of the most troublesome weeds.

The go-to solution for controlling a wide range of turf-damaging insects including white grubs, fall armyworm and more.

Remove the risk from your mix with one simple solution for broadleaf weed and sedge control.

*Pricing for California only. Must be purchased on a single invoice to receive volume discount price. **Must be registered in My Envu Rewards and accept current Terms and Conditions to participate. Rebate calculation excludes the California Mill Tax. ***Savings compared to 1 unit at the National price. †Customer Fall Solutions and NOW Solutions promotional cumulative purchases (Aug. 1 - Dec. 4, 2023) must be \$5,000 or more to qualify for program rebates. New members signed up before Dec. 31, 2023, will receive 2023 NOW/Fall Solutions rebates. All rebates for 2023 NOW/Fall Solutions will be paid in points, which can be redeemed for thousands of catalog items, distributor credits and/or company checks (no checks can be issued to a third party). All products must be invoiced between Oct. 1 and Dec. 4, 2023, to qualify for Fall Solutions. Rebate calculations will be based on the date of actual product invoice and calculator tools are provided for estimation purposes only. Rebates will only be paid or delivered to the company or name listed on the invoice. Please allow for rebates to be fulfilled by July 31, 2024. End users are only eligible for one Envu incentive program on these invoiced products. Must be an end user with MER membership and accept current Terms and Conditions. Resale of product(s) purchased within this program will not qualify for rebates. If questions arise, please contact MER at 1-888-456-6464 or email info@myenvurewards.com. Envu reserves the right to modify any portion thereof, or discontinue this program without prior notice.

When it comes to keeping turf looking beautiful, you can count on Specticle® FLO. It's been proven to provide superior preemergence control of the most troublesome weeds.

The go-to solution for controlling a wide range of turf-damaging insects including white grubs, fall armyworm and more.

Celsius® is a postemergence, warm-season turf herbicide that has one of the broadest spectrums of control on the market and controls more than 120 weeds, including dollarweed, Virginia buttonweed, doveweed and bull paspalum.

*Pricing for California only. Must be purchased on a single invoice to receive volume discount price. **Must be registered in My Envu Rewards and accept current Terms and Conditions to participate. Rebate calculation excludes the California Mill Tax. ***Savings compared to 1 unit at the in-season National price. †Customer Fall Solutions and NOW Solutions promotional cumulative purchases (Aug. 1 - Dec. 4, 2023) must be \$5,000 or more to qualify for Purchase Tier Rebate. New members signed up before Dec. 31, 2023, will receive 2023 NOW/Fall Solutions rebates. All rebates for 2023 NOW/Fall Solutions will be paid in points, which can be redeemed for thousands of catalog items, distributor credits and/or company checks (no checks can be issued to a third party). All products must be invoiced between October 1 and December 4, 2023, to qualify for Fall Solutions. Rebate calculations will be based on the date of actual product invoice and calculator tools are provided for estimation purposes only. Rebates will only be paid or delivered to the company or name listed on the invoice. Please allow for rebates to be fulfilled by July 31, 2024. End users are only eligible for one Envu incentive program on these invoiced products. Must be an end user with MER membership and accept current Terms and Conditions. Resale of product(s) purchased within this program will not qualify for rebates. If questions arise, please contact MER at 1-888-456-6464 or email info@myenvurewards.com. Envu reserves the right to modify any portion thereof, or discontinue this program without prior notice.

[§]TOPCHOICE AND CHIPCO CHOICE ARE RESTRICTED USE PESTICIDES DUE TO TOXICITY TO AQUATIC INVERTEBRATES. For retail sale to and use only by Certified Applicators or persons under their direct supervision and only for those uses covered by the Certified Applicator's certification.

When it comes to keeping turf looking beautiful, you can count on Specticle® FLO. It's been proven to provide superior preemergence control of the most troublesome weeds.

The go-to solution for controlling a wide range of turf-damaging insects including white grubs, fall armyworm and more.

Remove the risk from your mix with one simple solution for broadleaf weed and sedge control.

Agronomic Pairing Incentives

Pairing	Product	Required Qty	Rate (oz./1000)	Acres Treated	Pairing Rebate** (per unit)	Total Invoice* (using required qtys and suggested rates)	Max Saving %*** (Volume Discounts, Select and Pairing Rebates + Max Purchase Tier Rebate (9%))
---------	---------	--------------	-----------------	---------------	-----------------------------	--	--

Applying the PRE3 program in late fall provides proactive resistance management, increased application flexibility, and maximum control of *Poa annua*, as well as winter annual and perennial broadleaves. The solution is based on mixing Specticle® FLO, Tribute® Total and simazine for a PRE and POST combination approach. Find out more at us.envu.com/PRE3

PRE3	SPECTICLE® FLO	2	0.138	42.6		\$6,539.68	5.7%
	TRIBUTE® TOTAL	6	0.023	35.9	\$25		

In the defense of lawns against weeds, you need effective preventative and curative strategies. We have you covered on both ends with Specticle FLO preemergence and Celsius® postemergence herbicides.

Dual Defense	SPECTICLE® FLO	2	0.138	42.6		\$6,117.72	5.6%
