

# GRAVITY<sup>®</sup> L CALCIUM

With Max-In<sup>®</sup> Technology

## Guaranteed Analysis

Total Nitrogen (N).....	8%
8.0% Nitrate Nitrogen	
Calcium (Ca).....	10.0%
10.0% Water-soluble Calcium	

Derived From: Calcium Nitrate and Calcium Acetate

**KEEP OUT OF REACH OF CHILDREN**

## WARNING

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle.  
(If you do not understand the label, find someone to explain it to you in detail.)

### PRECAUTIONARY STATEMENTS

Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. Toxic to aquatic life.

**PERSONAL PROTECTIVE EQUIPMENT (PPE):** Wear chemical resistant gloves, eye protection, and chemical resistant clothing.

### FIRST AID

**IF IN EYES:** Immediately flush eyes with plenty of water for at least 15 minutes. Remove contact lenses, if present, and easy to do. Continue rinsing. If eye irritation persists: Get medical advice.

**IF ON SKIN:** Wash off with soap and water. Get medical attention if irritation develops and persists.

**IF SWALLOWED:** Rinse mouth. If vomiting occurs, keep head low so that stomach content doesn't get into the lungs. Call a poison control center or doctor for treatment advice if you feel unwell.

**IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a poison control center or doctor for treatment advice if you feel unwell.

**Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of medical emergency, call toll free 1-877-424-7452**

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store locked up. Store in tightly closed container. Store in a secure, cool, and dry place away from children, food and feed products. Store in original container only. Do not use, store or spill near heat or open flames. Take care to prevent water from being introduced to the contents of the container.

**DISPOSAL:** Do not reuse product containers. Dispose of unused product in accordance with Federal, state and local regulations. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. Contact your state and local ACRC recycler or visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org). Decontaminated containers may also be disposed of in a manner allowed by local, state and Federal laws and regulations.

## GENERAL INFORMATION

Gravity L Calcium with Max-In® Technology is a liquid fertilizer specifically formulated to prevent or correct Calcium deficiencies in turf, ornamental, and horticultural applications. Gravity L Calcium with Max-In® Technology contains CornSorb™ Technology which assists in the absorption and movement of nutrients in the plant.

Information regarding the contents and levels of metals in this product is available on the internet at:  
<http://www.aapfco.org/metals.html>

## DIRECTIONS FOR USE READ ENTIRE LABEL BEFORE USING SHAKE WELL BEFORE USING

Gravity L Calcium can be mixed with most common pesticides. A jar test should be used to confirm compatibility.

Turf (Including but not limited to golf courses, commercial, residential, sports turf, sod farms, parks): Gravity L Calcium should be applied at 1-6 fl oz. per 1,000 sq. ft. in 1-3 gallons of water - as needed during the growing season. On greens and tees a maximum rate of 4 fl oz per 1000 sq. ft. is recommended.

Ornamentals (including but not limited to greenhouses, nursery, landscapes, transplanted crops): Gravity L Calcium should be applied at 1 to 3 quarts per 100 gallons of water. For soil drench applications on trees use 8 fl oz in 2 gallons of water per inch or trunk DBH. Thoroughly drench area around trunk. Applications should occur on 10 to 21 day intervals or as needed to correct deficiencies.

A number of variables influence the rate of application necessary to prevent or correct a specific deficiency. For best results, follow good agronomic practices and conduct soil and tissue testes. Additional fertility may need to be supplied from other sources. For specific recommendations for your plants, consult your states recommendations or your local plant expert.

**Florida:** it is recommended that the user of this product follow the Green Industries and Golf Course Best Management Practices found at:

[http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/BMP\\_Book\\_final.pdf](http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/BMP_Book_final.pdf);

<http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/glfbmp07.pdf>

**In New Hampshire,** No turf fertilizer sold at retail shall exceed 0.9 pounds per 1,000 square feet of total nitrogen per application when applied according to the instructions on the label. No turf fertilizer shall exceed an annual application of 3.25 pounds per 1,000 square feet of total nitrogen when applied according to the instructions on the label.

## NOTICE OF WARRANTY

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
