# 2022 Celsius<sup>®</sup> XTRA & Tetrino<sup>®</sup>

## Spring Lawn Care Program

*Earn a \$206 rebate\* on purchases of Celsius XTRA and Tetrino from March—April 2022 for use on all major warm-season grasses!*

Purchase one case of Celsius XTRA plus one case of Tetrino and earn!

*////////// Celsius XTRA removes the risk from your mix with one simple solution for broadleaf weed and sedge control!*

// Broad-spectrum weed control with 100+ total weeds, including 13 sedges.

// Excellent control of common and difficult broadleaf weeds like dollarweed and problematic sedges like globe sedge and purple nutsedge.

// A strong turf safety profile means it can be used on all major warm season turfgrasses including St. Augustinegrass and centipedegrass.

// Reduces mixing errors by combining three powerful active ingredients in one bottle.

*////////// An innovative insecticide, the game-changing technology of Tetrino helps you up your game against chinch bugs, white grubs, sod webworm and fall armyworms.*

// Fast-acting, season-long control of white grubs with a single application.

// Outstanding control of caterpillars, including sod webworm and fall armyworms.

// Flexible use rates and application timing to fit any agronomic program, allowing for a preventive or early curative approach.
