NT = Not tested, ND = Not detected; LOQ = Limit of Quantitation; <LOQ = Detected; >ULOL = Above upper limit of linearity; CFU/g = Colony forming units per 1 gram; TNTC = Too numerous to count

This product has been tested by AFL using validated testing methodologies and a quality system. Values reported relate only to the product tested. AFL makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected levels of any compounds reported herein. This Certificate shall not be reproduced except in full, without the written permission of AFL. Uncertainty information is available on request. Photo is of sample received by the lab and may vary from final packaging. Stated results apply to the samples as received.
