

# Gluco Support

Nutritional Support for  
Healthy Blood Sugar Levels\*

NutriDyn's Gluco Support is a potent formula made with bioactive forms of chromium and vanadium for supporting healthy blood sugar and healthy blood lipid levels, as well as energy production from carbohydrates.\*

Read on to learn more about how Gluco Support works to support carbohydrate utilization and the cardiovascular system.\*

## How Gluco Support Works

Chromium is a trace biological mineral that appears to support carbohydrate metabolism and healthy serotonin levels as well as support serum cortisol levels, which are all positives when seeking proper energy production and appetite regulation.\*

Many dietary supplements rely on subpar forms of chromium, such as chromium chloride.

Gluco Support contains chromium polynicotinate, as this form is highly bioavailable.\* It is suggested that supplementation with chromium prior to consuming a carbohydrate-based meal may support healthy blood glucose levels.\*

Moreover, vanadium has similar effects in the human body, acting to support healthy blood sugar and blood lipid levels.\*

It is suggested that vanadyl sulfate modifies proteins in skeletal muscle that are involved in insulin signaling, which in turn supports healthy blood sugar balance.\*

## Gluco Support Supplementation

Given the nature of both chromium and vanadium as biological trace minerals, supplementation can assist users in a multitude of ways.\* These evidence-based benefits may include:

- Supports healthy blood sugar balance\*
- Supports healthy blood lipid levels\*
- Supports healthy appetite\*

**Form: 90 Capsules**

**Serving Size: 1 Capsule**

Ingredients	Amount	%DV
Chromium (as chromium polynicotinate)	1 mg	833%
Vanadium (as vanadyl sulfate)	300 mcg	**

### Other Ingredients:

Rice flour, gelatin (capsule), and magnesium stearate (vegetable source).

### Directions:

Adults take one capsule daily as a dietary supplement, or as directed by your healthcare practitioner.

*Caution: If you are pregnant, nursing, or taking medication, consult your healthcare practitioner before use. Keep out of reach of children.*

GLUTEN-FREE

DAIRY-FREE

NON-GMO

PRODUCED IN A  
cGMP FACILITY
