

Numicon Play Ideas

Ways to explore:

- Press into play dough
- Trace around the frames onto paper
- Dip the frames in paint and print onto paper
- Place the frames in size order to create a number line
- Balance in a set of scales
- Match the number frame to digits on post-it notes
- Wrap in silver foil to feel the shapes and holes
- Use the frames to make pictures
- Create patterns with the frames
- Sort into odd and even piles
- Place buttons, pom poms or jewels into the holes
- Thread them with string or pipe cleaners
- Add to a water tray
- Hide in a sensory box
- Press into a biscuit mix
- Use with hammer and golf tees
