END OF LISTING

NOTE: The procedures that have been accepted by the type certificate or TSOA holder and their cognizant FAA Aircraft Certification Office, for minor changes to original parts used on type certificate products, are also acceptable for incorporating the same minor changes on identical FAA-PMA replacement parts. The FAA –PMA holder shall be able to show traceability relating to the TC, STC, OR TSOA holder on all minor changes incorporated by this procedure. When these procedures are no longer applicable because of completion of the production contract, or termination of the Licensing Agreement or Business relationship, all subsequent minor design changes to the PMA parts must be submitted in a manner as determined by the ACO. Major design changes (reference 14 CFR Part 21 §§ 21. 93 and 21. 97) to drawings and specifications are to be handled in the same manner as that for an original FAA-PMA.
