

DeModest Care Instructions

To ensure the beauty and steadfastness of your DeModest garments, please follow the below care instructions:

The Standard

With the jacket zipped up, turn the jacket and pants inside out to wash. The Standard is fleece and will shed lint during the first wash. For the first wash, wash The Standard alone without any other garments in the machine. Machine wash cold, on the gentle cycle. Tumble dry low with the garment inside out. Cool iron if needed.

The Velour

The Velour may shed fibers during the first wash. For the first wash, wash The Velour alone without any other garments in the machine. Machine wash cold, on the gentle cycle. Tumble dry low. Cool iron if needed.

The Marie

Machine wash cold, on the gentle cycle. Tumble dry low. Cool iron if needed.
