Another  
clue is  
near your  
shoe

Behind a  
bedroom  
door, you'll  
find more

Take a  
look where  
you read a  
book

To your  
bed is  
where you  
should  
head

By a table  
leg is  
where  
you'll find  
an egg

Head in a  
direction  
you can  
see your  
reflection

For the  
next part,  
head to  
where you  
make art

Where we  
leave the  
mop is  
where you  
should hop

Head over  
to a chair,  
if you care

Under the  
couch,  
you'll need  
to crouch

Don't look  
back, head  
to where  
we keep  
the snacks

Hop, don't  
rush, to  
where you  
keep your  
toothbrush
