SUPER COMPACT, ELEGANT & EASY TO USE

The Bellucci's Slim are compact and elegant bean-to-cup automatic espresso machines designed and developed in Italy. The Slim brings the best from your favorite coffee beans thanks to its innovative coffee extraction system.

TRUE ITALIAN ESPRESSO WITH RICH CREMA

Featuring a patented oversized coffee group that is easy to clean, a powerful 19 bars Italian pump and a low-noise stainless steel burrs coffee grinder, the Bellucci's Slim punches well above its weight !
