## The Loop

### LAW OF LIFE OF THE WEEK

#### A JUDGMENT FREE LIFE

This week, my horoscope in the Palm Beach Post changed my life. It read – “There’s no reason to judge yourself now. Nor should you subject yourself to the judgment of others. It’s a time to accept your right to create your precious life to whatever extent you can.” (and I am a Leo.) This horoscope actually freed me. I was going to give myself permission to be free and live a judgment free life. Perhaps this was the most important law of life of all of them I had learned this year? I posted it right away to my facebook page. And just as I did, Sunny Arfa (our meditation expert and Owner of Feel Great Meditate) aptly commented and pointed out that we should repeat the following mantra on a daily basis: “I no longer judge myself.” Sunny added “As soon as you stop judging yourself, you’ll find you never judge others. Have to stop with yourself first. Just like peace, it’s an inside job.” My conclusion? Life is short. Let’s just be happy. We have definitely had a challenging year so let’s keep connecting, stay positive and accept each other for who we are. I hope you tell yourself today that you are enough and find your joy.
