## THE LAW OF LIFE OF THE WEEK

In these difficult times, we need to stay extraordinarily positive and continue to appreciate and value each other. One way to do this is with a new initiative by Laws of Life - **#PowerTestimonials Matter**. Testimonials are the key to helping fellow business owners build their business through the receipt of positive feedback. A testimonial is the perfect gift because it does not cost you anything but your time. There are two kinds of testimonials – **(1) Video** and **(2) Written**. The Laws of Life Team is asking you to start sending us a powerful 30 second video or 300 word testimonials to post on our platform or newsletter and we will be happy to post them and tag you and the person you are recommending.

If you can **SHARE** the testimonial, everyone wins in the community. You can email your testimonial to **blanca@lawsoflife.shop**.
