Curriculum : 9 Essential Skills for the Love and Logic Classroom

Michelle has been an educator, working in an alternative high school charter school setting, since 2006. She began her career teaching science at Options Charter School-Noblesville and through research for classroom management techniques to use with high-risk teens she stumbled across the 9 Essential Skills for the Love and Logic Classroom curriculum. She has used the skills taught by Love and Logic ever since, in not only her classrooms as a teacher but also with staff members as she became an administrator and at home with her own children. Today, Michelle is the Director of Schools for Options Charter Schools and is a facilitator for the 9 Essential Skills for the Love and Logic Classroom curriculum.
