She is also a mother of 4 grown children and grandmother of 6. She has navigated the world of parenting and teaching children with special needs and/or trauma with her own children and now grandchildren. Teri has been using Love and Logic since her first introduction in 1999. She has been facilitating courses since 2010 and continues to facilitate courses for parents and educators at least once a year. It is a passion and mission for Teri to help make teaching and parenting more fun and less stressful! Email anytime and set up a course with her.
