Curriculum : Parenting the Love and Logic Way, 9 Essential Skills for the Love and Logic Classroom

I am the Teacher Education Program Leader at NWCTA and Facilitator for Love and Logic for Teachers and Parents. I graduated from UNLV in 1989 with a bachelor's degree in Secondary Education-English. I earned my Master's degree in Curriculum and Instruction 1992 also from UNLV. I have been married 23 years, and I have one daughter who is 20 and attends UNLV. I have taught in the Clark County School District for 27 years at the secondary level. I am passionate about teaching, and I love working with young people--it keeps me young and on my toes! Please call me if you would like more information about a presentation of Love and Logic for your school.
