**Curriculum :** Parenting the Love and Logic Way

Dr. Merling has been in ministry for over forty years. Twenty-two of those years were as a professor of archaeology and history of antiquity at Andrews University, Berrien Springs, Michigan. During those years Dr Merling was teaching, writing, and a co-director of excavations at Tall Jalul in Jordan. His wife Stephanie, a speech-language pathologist, was the pottery registrar for the excavations. About 12 years ago (2006), he retired from teaching to become a pastor in Albuquerque, New Mexico. The primary reason for this change was the privilege he and his wife Stephanie had to raise their four grandchildren (ages 1, 3, 6, and 8). These are great kids, but it was a major change in all of their lives. A friend suggested "Love and Logic." Both David and Stephanie agree that, as grandparents, "Love and Logic" was just what they needed and wished they had known about these principles, when their adult children were young.

As a trained facilitator with 8 years of experience providing Parenting the Love and Logic Way, coaching, and team building, I am delighted to share Love and Logic skills with our community, please contact me if you are interested in training or in-service. I am a trained Social Worker, School Counselor, and Licensed K-12 General Education and Special Education teacher. With a variety of lenses, I can help you, your family, and/or your community shift your efforts so that you are better able to help children own and solve their own problems while taking good care of yourself.
