

4 out of 5 customers reported better sleep on their iSense mattress.*

Comfort Control™

Adjustable, individualized comfort in the palm of your hand allows you to create your perfect level of firmness on your side of the bed.

Pressure Reduction

The soft, cushioning foam in the Comfort Control™ unit and comfort foam layers cradle your hips and shoulders while supporting the rest of your body. Feel pressure relief without sacrificing support.

iSense App

Maximize your sleep experience with the iSense companion app, available on iOS and Android. Control your mattress and adjustable base, and monitor your sleep health, all at the touch of a button.
