## DESCRIPTION

This durable LED RGB Mini Flex Neon Light is an ideal way to add a decorative touch to any space. It's 24V DC and 30 Ft long and features a bright color illumination to bring any area to life. Easy to install and maintain, it's perfect for those looking to quickly and easily create a unique atmosphere

The 24V DC RGB Mini Flex Neon can also be mounted into an aluminum profile channel or silicone into place. Mounting on the side of a display or cabinet can be done with regular 3M Double-faced Tape or Carpet Tape making this a simple onsite installation.
