DESCRIPTION

Step 1 Dezigns LED Brass Surface Mount Brick Light is energy efficient and provides maintenance-free illumination with a long lifespan. They are IP65 rated suitable for indoor or outdoor environments.

It is a surface-mounted LED light fixture that is an excellent retrofit for the staircase, stairway, and pathway lighting. The small size makes it versatile enough for infinite applications.

The LED Brick Light is made with high impact, weather-resistant materials. It requires 12V DC LED driver, sold separately.

KEY FEATURES

- Low profile design, flush to wall aesthetics
- Energy-efficient LED chipsets
- Rated IP65 for indoor or Outdoor applications
- Easy to install
- LED Brick Light includes 10 ft power wire
- No mounting box required

APPLICATIONS

- Walls
- Staircase
- Stairways
- Pathways
