**DESCRIPTION**

LED Full Angle Aluminum Channel 30 x 30 includes our v-shaped aircraft-grade aluminum channel and compatible frosted or opal white lens. Creating a rigid, modern, and sleek style LED strip light installation has never been easier.

**KEY FEATURES**

- It comes in 2-meter sections and can be custom-cut to any length.
- 30 mm wide by 30 mm height.
- Perfect for mounting LED Strip Lights up to 19.7 mm in width.
- V-shaped for angled or corner lighting applications.
- Includes aluminum channel, opal diffuser, 2 mounting clips, and 2 end caps.
- The Channel lens protects LED strip light from the environment and creates diffused lighting effects. Easy to install, simply clip the diffuser lens into the aluminum channel.
- The rigid and dustproof channel can be mounted onto any flat surface.
- LED Aluminum Mounting Channels do not qualify for the Free Standard Shipping offer. Additional shipping charges will be billed separately.
- Aluminum channels are not returnable due to the packaging and shipping costs.
