## DESCRIPTION

LED Deep Surface Aluminum Channel includes our aircraft grade aluminum channel and compatible opal white lens. Creating a rigid, modern, and sleek style LED light installation has never been easier.

## KEY FEATURES

- High-quality diffuser, placing/removing from the front on click
- For indoor use only
- Made from anodizing aluminum, UV resistant.
- Rigid and dust-proof housing can be surface mounted.
- Includes aluminum channel, 1 opal white lens diffuser, 2 end caps.
- The Channel lens protects LED strip light from the environment and creates diffused lighting effects. Easy to install, simply clip the diffuser lens into the aluminum channel.
- Aluminum channels are not returnable due to the packaging and shipping costs.

## APPLICATIONS

- Trade Show Booth
- Stores shelf LED lighting
- Retail Store Display Lighting
- Heat sink and physical protection to the LEDs
- Independent Linear LED Lamp
