

EL-DHSS LED CCT Selectable Dual Head Security Lights

SPECIFICATION SHEET

JOB NAME: _____

LOCATION: _____

QUOTE/REF#: _____

DESCRIPTION

The Dual-head LED security light saves up to 80-percent of energy costs. A great choice for outdoor walkways, garage areas, back door entrances, and more, this 2-lamp security floodlight is a bright energy saver.

It comes with two built-in, high-power LED arrays that use a mere 10 watts of power each. Pivoting arm on each light allows you to aim light where it's needed. Durable bronze finish aluminum housing.
