DESCRIPTION

The LED 7 Watt Deep Cone recessed light is perfect for your ceiling for a stylish room upgrade. It is a powerful and efficient light source that adds brightness, focused illumination to any space.

Our LED Recessed Deep Cone fixtures are 7 Watts and are equivalent to a 75 Watt MR16 halogen but without the heat and UV effects. This LED Fixture is available in Black, White, Satin Nickel, or Bronze trim finishes and includes high tension mounting clips for easy installation.

The LED 7 Watt Deep Cone recessed light fits into walls, ceilings, cabinetry, under countertops, bars, display cases, home entertainment centers, and retail window displays. Hardwire connection is required if connecting more than 1 fixture.
