DESCRIPTION

The Dual-head LED security light saves up to 80-percent on energy costs and comes with a built-in photocell for dusk-to-dawn operation, plus a built-in motion detector. Motion detection can be overridden by flipping the switch off, then back on within 3 seconds.

It is a great lighting option for outdoor walkways, garage areas, back door entrances and more. This 2-lamp LED Security Flood Light comes with two built-in, high-power LED arrays that use 10 watts of power per each LED light, yet have a light output comparable to a 120-watt bulb.

It has a built-in motion detector with a 60-foot maximum range and a photocell for dusk-to-dawn operation. Pivoting arm on each light allows you to aim light where it's needed. Available with durable bronze or white finish aluminum housing.

SPECIFICATIONS

Brightness:	1640 Lumens
Power:	20 watts
Input Voltage:	120-277V AC
LED CCT:	3000K or 5000K
CRI:	90+
Dimmable:	No
IP Rating:	IP65
Environment:	Wet or Dry Locations
Fixture Size:	13 in W x 6.5 in H
Finish:	White, Bronze
Mounting:	Wall Surface Mount
Manufacturer:	Elumalight
Rating:	cETLus Listed, RoHS
Avg. Lifetime:	± 50,000 hours
Warranty:	1 Year Limited

KEY FEATURES
