DESCRIPTION

LED Emergency Bug Eye Lights provide 90 minutes of light from two adjustable heads for illuminating paths of egress upon failure of normal power. Emergency unit is available in higher lumen output and remote capability.

Injection-molded thermoplastic ABS housing. Plastic enclosure with 5VA flame retardant. Quick connector design for easy installation. Two fully adjustable glare-free round heads for emergency lighting.

The plastic enclosure includes a top and side knockout for conduit application. Suitable for wall mounting or ceiling mounting.
