<b>Environment:</b>	Dry Location
<b>IP Rating:</b>	IP20
<b>Rating:</b>	UL Listed, CUL Listed, RoHS, CE
<b>Manufacturer:</b>	Elumalight
<b>Warranty:</b>	1 Year Limited

### DESCRIPTION

24V DC 24 Watts LED Plug-In Constant Voltage Driver is generally used when you need stable voltage to your LED lights. It has built-in overload, short circuit, and overheat protection. They are energy efficient and ideal for powering our 24V DC LED lighting.

Need help with your LED lighting applications? Our lighting experts are here to help! Contact us today for assistance with lighting plan or installation instructions.

### KEY FEATURES

- Easy installation - Plug N Play
- Maintenance-free
- Solid-state construction
- High vibration and shock resistance
- Overload, short circuit, and overheat protection
- No RF interference
- Comes with 6 ft length output cable
- Output Male DC barrel plug is 2.1 mm
- UL Listed power supply
- Long lifespan

### APPLICATIONS

- For use with compatible Constant Voltage 24V DC LED lighting. Not for use with dimmers.
