**DESCRIPTION**

LED CCT Adjustable Under Cabinet Task Light is an ideal solution for multiple environments such as coves and soffits, retail displays, undershelf, and under-cabinet applications.

Easily select the LED color temperatures by pushing the built-in switch. The LED CCT Adjustable Cabinet Lights are designed to perform efficiently in conditions where fluorescent, halogen, and low voltage luminaries have traditionally been used.

Available in various length options in white finish. Each Task Light fixture includes a Hard Wire Connection, 6 in Linking Cord, Butt Connector, and 5 Ft long Plug-In Power Cord.

**KEY FEATURES**

- 1 in. Thin LED Under-Cabinet
- Long Lifespan ± 30,000 - 50,000 hours
- Powder Coated White Finish
- Plastic Polycarbonate Diffuser
- Linkable with Linking Cord & Butt Connector Included
- Hardwire or Plug-In Power Cord Included
- Enjoy Hassle-free, safe and easy Installation
- ETL Listed

**APPLICATIONS**

- Lighting for Tradeshow, Exhibition, Retail Displays
- Downlighting or Uplighting Applications
- Under-cabinet, Under-Counter, or cove lighting
- Under-Shelf Lighting

**Multi-Connection Wiring Included**

Hard Wire Connection

6" Linking Cord & Butt Connector

5 Ft Plug-In Power Cord
