

Let's Quilt with Rulers!

Hexie Duet - Overall Design Class

Thank you for signing up to join us for our Hexie Overall design class!! The ruler we will be focusing on in this class is **Hexie Duet**. We will be using this ruler to create a variety of overall designs that you can translate to your own quilts. It will also be helpful to have a straight edge ruler (Edgie 6 or 10)

For the class you will need the following:

- A Domestic sewing machine with a **ruler foot** attached - or Longarm with ruler foot attached and a ruler base.
- **Hexie Duet Ruler**
- Scissors (not fabric scissors! We will be using these to cut the "Sticky Tape")
- A computer, tablet or phone to watch the videos
- Blank paper, pencil, pencil sharpener, ruler and eraser
- An assortment of needles (if you are having trouble with thread breaking we suggest changing your needle to a different size)
- **6 + quilt sandwiches 16 x 24 (backing, batting and top) basted. Fabric can be solid, read as a solid or a print, but if a pattern is chosen the designs we stitch will be less obvious.** (We will be working on overall designs so they can take extra room and if you are a fast stitcher perhaps prep a couple extra so you will have room on these to practice a little more)
- A measuring ruler such as "Omnigrd"
- Fabric marking pen and long ruler to draw lines on fabric
- Thread - choose a thread that will stand out so that you can see your designs well. It is advisable to have several different thread options available in the event of an issue we may ask you to try a different thread.
- Your sewing machine manual
- A pair of machine quilting gloves or garden gloves (something with rubber fingers for gripping) if you are working on a domestic machine. .
- A "slip mat" for your table if you are using a domestic machine - not necessary but beneficial

It is particularly important that you have the right thickness of rulers for your machine. Please take a moment to watch this video to ensure you have the correct thickness prior to the class date: "1/4" or 1/8" thick ruler? Which is right for me?" https://www.youtube.com/watch?v=sPDF_JWX-aM

Please note, a basic knowledge of ruler quilting is required for this class!

If you have any questions, please contact us prior to the class for more information at sillymoonquiltingco@gmail.com

Quilting Plan

Manufacturer of rulers, templates and accessories

Date: _____

Quilt Name: _____

**How will the quilt
be used?**

**What is the style
of quilt?**

**What part of this
quilt do I want to
stand out?**

**What rulers do I have
available to me?**

**How much time do I
have to complete this
quilt?**
