

## Hexie Duet - Table Topper

Thank you for signing up to join us for our Hexie Duet table topper class!! The ruler we will be focusing on in this quilt along is Hexie Duet. (It will also be helpful to have a straight edge ruler Edgie 6, Edgie 10). We will be completing one table topper in the class (with the exception of the binding)

### For the class you will need the following:

- A Domestic sewing machine with a **ruler foot** attached - or Longarm with ruler foot attached and a ruler base.
- Scissors (not fabric scissors!) We will be using these to cut the "Sticky Tape"
- A computer, tablet or phone to watch the videos
- Blank paper, pencil, pencil sharpener, ruler and eraser
- An assortment of needles (if you are having trouble with thread breaking we may suggest changing your needle to a different size)
- **1 quilt sandwich - top, batting and backing (this will be your background fabric) measuring 18" x 18"**
- **30 pieces of fabric measuring 3.5" square. We will be cutting the hexie portions of the topper out of these. Your fabric can be scrappy, or all the same colour, whichever you choose.**
- A stiffening spray - I use Acorn Easy Press in the mist bottle, but you can also use any other stiffening spray you choose. The spray will make it easier for us to cut the fabric and keep it the correct shape - **Please spray your 3.5" squares prior to class**
- Glue - I use Acorn Seam Align Fabric glue. You can also use a regular glue stick
- A measuring ruler such as "Omnigrid" that measures a minimum of 18"
- Fabric marking pen to draw lines on fabric - make sure it will show up on both your background and your "hexies"
- Thread - choose a thread that will either blend or stand out depending on how much you want your stitches and design to show!
- A pair of machine quilting gloves or garden gloves (something with rubber fingers for gripping) if you are working on a domestic machine. .
- A "slip mat" for your table if you are using a domestic machine - not necessary but beneficial
- \*\* binding material is not included in this supply list

**It is particularly important that you have the right thickness of rulers for your machine.** Please take a moment to watch this video to ensure you have the correct thickness prior to the class date: "1/4" or 1/8" thick ruler? Which is right for me?"

**[https://www.youtube.com/watch?v=sPDI\\_JWX-aM](https://www.youtube.com/watch?v=sPDI_JWX-aM)**

**Please note, a basic knowledge of ruler quilting is required for this class!**

If you have any questions, please contact us prior to the class for more information at **[sillymoonquiltingco@gmail.com](mailto:sillymoonquiltingco@gmail.com)** and put **HEXIE TOPPER** in the subject line
