Milesight NDAA Compliant Product List

Milesight NDAA Compliant Product List

Milesight is pleased to affirm that our -PA series, -PD series and -E series product portfolio is NDAA (National Defense Authorization Act) compliant. These products do not use or deploy critical components including SoCs produced by NDAA-banned component vendors. They are recommended for enterprises and critical applications where compliance is essential, such as government, defense, campuses, retail, and a range of commercial applications subject to the NDAA.
