Innovate your space, Ignite your style.

IGNITE® ULTRA
Linear Electric Fireplace

DC Dimplex®

Experience Better Living.

Available in 50, 60, 74, 88 & 100 inch widths

Key Benefits

Modern Elegance
Sleek design and cutting-edge technology create a focal point that exudes modernism.

Adaptable Design
Freedom to fit your vision with five installation choices: front-facing, left corner, right-corner, bay, or create a sleek modular unit.

Natural Hearth
Delivers the most authentic flame and log combination for an unmatched and lifelike fire experience.

Dynamic-Fire Flame Effect
Witness a brand new, remarkably realistic flame effect, patented by Dimplex.

Rhythmic Inner Glow Logs
Features quick connect, moveable logs enhanced with inner glow technology that pulse in rhythm with the dancing flames.

Comfort$aver® Heating
On-demand supplemental heating for up to 1,000 sq ft. with the option to turn the heat off and enjoy the flames year-round.
Crackling Sound Effects
Enhance your sensory journey with the soothing sound of a crackling natural wood fire.

- Edgeless design, less frame, more flame
- Comfort$aver® heating system
- Dynamic-Fire flame effect
- Smart self-diagnostics
- 3-button control panel
- **NEW** Quick connect moveable logs with tumbled glass embers
- Mirrored glass backer to enhance flame effect
- 3 flame speeds
- 16-15/16" (42.9 cm) viewing height

Same fireplace, simply choose 1 of 4 configurations.
Configurations 2-4 require included convertible trim kit.

Prepare a wall with a framed opening, following the dimensions in the table. For linked installation, add widths of fireplaces used.

⚠ **CAUTION:** This fireplace is **NOT** load-bearing. Ensure the opening for the fireplace is framed in such a way that the weight of the building materials will not create pressure on the top of the fireplace.

! **NOTE:** Wiring connections are located at the back of the firebox, in the top right corner.
