

## PB10PM – Blupeak 10,000mAh Premium Aluminium Power

The 10,000mAh Blupeak Premium Aluminium Power Bank provides a sleek and durable portable charging solution. With a large 10,000mAh battery capacity, this power bank will provide enough power to top up multiple devices while out and about.

Dual outputs allow quick charging of up to two devices at once. Enjoy quick charging of your devices with both Quick Charge 3.0 and Power Delivery (PD) giving you a wide range of support across all the latest smartphones and tablets including Apple, Samsung, Google, Sony, LG, HTC, Huawei, Motorola, Oppo and more.

The USB-C port with power delivery will allow you to fast charge an iPhone Xs, Xs Max, Xr, X, 8 or 8 Plus from 0 to 50% in 30 minutes\*

### Durable Aluminium Design

Designed to be slim and compact for complete portability. Easily slips into pockets and bags while looking great with its premium grade aluminium shell.

### 10,000mAh Capacity with USB-C

The high capacity 10,000mAh battery provides more than enough juice to get your phone from 0% back to full multiple times during the day. With USB-A and USB-C carry just one cable to both charge your phone and re-charge you power bank.

### Quick Charge & Power Delivery

With both Quick Charge and Power Delivery fast charge your Samsung, Apple or Android phone back to full up to twice as fast as regular chargers and power banks.
